The words "anticipate",

Such statements are subject to risks and uncertainties, including, but not limited to: an economic downturn in Europe or North America; changes in currency exchange rates, interest rates and in raw material prices; introduction of competing products; increased sales incentives; the successful implementation of the new business model for smart; and decline in resale prices of used machines. If any of these or other risks and uncertainties occur or if the assumptions underlying any of these statements prove incorrect, then actual results may be materially different from those expressed or implied by such statements. We do not intend or assume any obligation to update any forward-looking statement, which speaks only as of the date on which it is made.
